

To the class of 2023 and 2024 Parent/Guardian,

Each year, Divine Savior Holy Angels High School (DSHA) and Marquette University High School (MUHS) host a college financial aid information program with our focus audience of juniors, seniors, and their parents. **This year, DSHA will serve as host for our 2022 Financial Aid Information Night. We hope you can join us!**

Wednesday, October 5, 2022 at 6:30 pm
Divine Savior Holy Angels High School
The Robert and Marie Hanson Family Theater
(event parking and entrance details offered below)

GUEST PRESENTERS: Financial aid officers from Marquette University **will lead both English and Spanish presentations** in their review of the Free Application for Federal Student Aid (FAFSA), the basic chronology regarding filing the form and the components of a financial aid package. Questions will be encouraged throughout the presentation!

For our Class of 2023 students applying to college for Fall 2023: Families are strongly recommended to file the **2023-24 [Free Application for Federal Student Aid \(FAFSA\)](#)** as soon as possible **beginning October 1, 2022**, which is the first day the **2023-24 FAFSA** becomes available for Fall 2023 applicants. Completing the FAFSA process early will provide timely financial aid notifications from the colleges to which your student is applying and help your family make an informed decision on the best-fit college choice, which includes financial fit.

If you have any questions, please contact the College Counseling Center or Kristin Shea at sheak@dsha.info. We hope to see you at this important and informational program!
